GAS COMPARABLE PERFORMANCE

DIGIPRO BRUSHLESS

- Brushless Motor
- 80% Longer Life
- 30% More Torque

10 YEAR/ANS MOTOR WARRANTY GARANTIE DU MOTEUR

4 YEAR/ANS TOOL WARRANTY GARANTIE DE L'OUTIL

2 YEAR/ANS BATTERY WARRANTY GARANTIE DE LA BATTERIE

BRUSHLESS MOTOR

- Computer controls the motor for greater efficiency
- Less noise and no sparking
- No brushes to wear out - No brushes to replace
- Quiet operation: great for nature and neighbours

GAS MOTOR

- Requires more maintenance such as tune ups and oil change
- Louder and heavier than electric mowers
- Pull start not practical for all users
- Produces more exhaust during use
- Buying and mixing oil and gas

40V LITHIUM-ION

- 40V Lithium-ion battery works with family of products
- Maintains full power through it's entire life cycle
- Charge anytime without memory loss
- Fully charges in up to 2 hours

greenworks

Life gets easier.™

Reliable to the end with quality you can count on. GreenWorks backs its products with an extended warranty

4 YEAR TOOL WARRANTY — We back all or our tools with a 4 year repair warranty.

10 YEAR MOTOR WARRANTY — Our durable, high performance DigiPro brushless motor is backed with a 10 year warranty.

2 YEAR BATTERY WARRANTY — Our high efficiency lithium-ion batteries are backed with a 2 year warranty.

4 YEAR REPAIR WARRANTY

GREENWORKS™ hereby warranties this product, to the original purchaser with proof of purchase, for a period of four (4) years against defects in materials, parts or workmanship. GREENWORKS™, at its own discretion will repair or replace any and all parts found to be defective, through normal use, free of charge to the customer. This warranty is valid only for units which have been used for personal use that have not been hired or rented for industrial/commercial use, and that have been maintained in accordance with the instructions in the owners' manual supplied with the product from new.

Battery carries a two (2) years warranty against defects in workmanship and materials. Batteries must be charged in accordance with the operator's manuals directions and regulations in order to be valid.

ITEMS NOT COVERED BY WARRANTY:

1. Any part that has become inoperative due to misuse, commercial use, abuse, neglect, accident, improper maintenance, or alteration; or
2. The unit, if it has not been operated and/or maintained in accordance with the owner's manual; or
3. Normal wear, except as noted below;
4. Routine maintenance items such as lubricants, blade sharpening;
5. Normal deterioration of the exterior finish due to use or exposure.

GREENWORKS HELPLINE :

(1 888 90WORKS):

Warranty service is available by calling our toll-free helpline.

1-888-909-6757 (1-888-90WORKS).

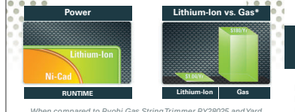
TRANSPORTATION CHARGES:

Transportation charges for the movement of any power equipment unit or attachment are the responsibility of the purchaser. It is the purchaser's responsibility to pay transportation charges for any part submitted for replacement under this warranty unless such return is requested in writing by GREENWORKS.

greenworks

THE LITHIUM-ION ADVANTAGE

- Up to 3x longer run time than traditional NiCd batteries
- Fade free power delivers the same power from start to finish without RPM fade
- Lithium-ion batteries have the best power to weight ratio and are typically about 1/3 the weight of NiCd batteries
- GreenWorks Tools Lithium-ion batteries are recyclable and are manufactured without heavy metals
- Lithium-ion batteries can be charged at any time with no negative memory effect.They will be at peak power even after hundreds of charge cycles
- Up to 5x less discharge rate than NiCd batteries so your tool will be ready to use even after months of storage whether in extreme heat or cold
- All GreenWorks Tools Lithium-ion battery chargers are Energy Star rated and reduce energy usage by an average of 35%



When compared to Ryobi Gas StringTrimmer RY28025 and Yard Machines Gas Lawn Mower 12A-13K729
